I do know my Attorney called me in September and claimed I got her fired from law firms and she also emailed me, I'm ignorance to the laws as to what I can do legally about my lawyer in this case, she is ineffective lawyer and should be banned from working in Illinois. She call me and said I had her fired from jobs, I did not, she deleted block me from emailing her or calling her. I wrote and beg her about my case decision. I need entire case files, she Refused too send.
